Jen Macaskill 376-4959

Courtney Denman 376-9150

Proceeds to benefit the Millis Educational Resource Initiative Team (MERIT), a non-profit, state chartered Local Education Fund. Founded in 1991 and run by volunteers. MERIT solicits funds for innovative, curriculum-based programs not typically funded within the regular school budgets. The consistent support that MERIT has provided is valued by creative and committed teachers and principals, and greatly benefits our school system and community.
