Dear Parents and Guardians of Millis Students Grades 6-12:

The Millis Board of Health will hold an H1N1 vaccine clinic on Tuesday, December 1<sup>st</sup> from 4:00-7:00pm in the Millis Middle/High School cafeteria. This clinic is for students in grades 9-12 who wish to receive the H1N1 vaccine and also for those students in grades 6, 7 and 8 who did not receive the vaccine at previous school clinics. We will have H1N1 vaccine shots and a limited amount of H1N1 vaccine nasal mist.

A parent or guardian must accompany each student. All paperwork will be filled out at the clinic.

Please check the school website for vaccine information statements on both the nasal and injectable forms of the vaccine. Read these carefully. You do not need to print these out to bring to the clinic.

If you have any questions or concerns, please email the public health nurse at: [kdangelo@millis.net](mailto:kdangelo@millis.net) or call the town of Millis Health Dept. at 508-376-7042.
